Mr. Adrian Wilson  
815 West Fifth Street  
Los Angeles 17, California

Dear Mr. Wilson:

Thank you for your letter of March 19, 1956, to Mr. Dulles, requesting that your firm receive consideration in connection with the architectural-engineering services for the proposed Central Intelligence Agency headquarters building.

The firm of Harrison and Abramovitz, of New York City, has been selected as the principal architects for our new building and the Public Buildings Service, of the General Services Administration, expects to complete contract negotiations with Harrison and Abramovitz in the near future.

Your interest in this matter is genuinely appreciated and I regret that my reply cannot be more satisfactory to you.

Sincerely,

(4)
